SECRET LETTER PROPHECY FROM ARMENIA - 1852

Evidenced by Demos Shakarian as told to John and Elizabeth Sherrill in the book: *The Happiest People On Earth* 1975 [book out of print] --- Took me a while but I did finally get a rare copy after being asked by readers of newsletter to look into this.

Signed **Larry Taylor**

[From the writings of Demos Shakarian 1913-1993]

Demos was named after his grandfather, a remarkable man who fled from Armenia in 1905 to settle in Los Angeles, California in America. The family left their homeland in response to a prophecy in 1852 that a time of unspeakable tragedy would come to Armenia and that hundreds of thousands of people would be killed. When the same person who had given the prophecy announced the time for the tragedy was near, it was the sign for many people, including grandfather Demos to move. The prophet was a true prophet.

In 1914 the Turkish people drove the Armenian population out into the Mesopotamian desert. Over a million men, women and children died. They massacred another half a million people in their villages, often by locking them in barns and burning them to death. Everyone still in the home village of grandfather Demos died! The world did not respond to what was happening and allowed it to continue.

Later on they reaped a reward for their shameful inaction. When Hitler started his campaign to exterminate Jewish people, he believed that "...no one cared about the Armenians, they will not care about the Jews..." Consequently a large Armenian group settled in Los Angeles. The boy prophet who God had used to warn the Armenians to flee the coming onslaught was named Efim Gerasemovitch Klubniken, of Russian origin and from earliest

childhood had shown a gift for prayer—frequently going on long fasts, praying around the clock. The prophet's words and map directed the Armenians to Los Angeles, CA, America.

However, later Efim also wrote out a second prophecy, but all anybody knew about that one was that it dealt with the still more distant future—when the people would once again have to flee. Efim asked his parents to seal this prophecy in an envelope, and repeated the instructions he had received concerning it. He had been told in his vision that only a future prophet—chosen by the Lord for this task—could open the envelope and read the prophecy to the church. Anyone opening the envelope before this time would die.

Excerpt at the end of the book - Demos Shakarian writing:

“I thought of the second message the boy prophet received so long ago, still sealed and unopened. Does it foretell a great persecution coming to Christians in America, just before the Lord returns? Personally, I think so. I think the Spirit is being given us in preparation for this time: to bind us into a Body, to assign to each one of us the task he alone can do for the welfare of that Body. I often wonder who will be told to open that message and read it to the church? And Demos Shakarian passed in 1993!”

[Larry Taylor: I recently sent out an email to the Internet List of ‘From_The_Edge’ requesting any information in regards to this secret letter’s existence. I will share one of the email replies:

“Hi! Larry -- This is Ken and Annie Schisler in Uruguay, South America. We also would appreciate if once you obtain info regarding the “secret letter” you could share it with us. We met Demos and Rose back in the late 80's at their home in Downey. We spoke of many things, including the secret letter, but the contents was not disclosed as it was still “sealed” at that time. It would be important to compare notes with things Annie has seen in her visions regarding the future of the USA. We believe many things are very imminent. Blessings! Ken and Annie”

I will try to share more information of what I found out about the

“secret letter” in the next newsletter! Also if any of my readers have information on this subject, please email me or write me!!

3. DREAM OF THE SECRET PROPHECY LETTER OF ARMENIA April 29, 2003/ 3:00am by: Larry W. Taylor / I dreamed I was standing in front of and looking at a “sealed” Armenian Letter that was written by the Armenian prophet and sealed many years ago. I clearly saw a white envelope with a gold seal upon the area of a letter you would normally open. Then my eyes were opened and I saw a huge angel wearing white and holding a drawn sword standing in front of the Armenian Letter to defend this letter!

That’s the dream and I can still see this in my mind clearly. That gives me more to pray about. I feel that we are clearly in a time of incredible change and we must be very cautious and wise in the days just ahead! 3. LWT

2. SECRET LETTER PROPHECY FROM ARMENIA - 1852 Update! by: Larry W. Taylor / I am still waiting on more information on this letter to come in but did want to do an update on some of the information I have found out in regard to this interesting Prophecy Letter.

(1) I do believe this Prophecy Letter written in 1852 by Efim Gerasemovitch Klubniken is valid and still unopened.

(2) I do not believe the letter has ever been or is even now in the possession of the family of Demos Shakarian but is in the possession of the decedents ~~ancestors~~ in America of the prophet, Efim Klubniken. However, Demos Shakarian apparently did share with a number of people that he knew about the letter and it was still unopened up to his death. Demos also explained all he could about the secret letter in the book, “The Happiest People On Earth” as told to John and Elizabeth Sherrill (1975). This book is out of print but a few copies can be found on AMAZON.COM

(3) The secret letter I believe is in the area of Los Angeles, CA.

(4) There is very little, if any at all, talk about this secret letter circulating on the Internet or in publications, so it is still a secret.

(5) I was sent information that some decedents ~~ancestors~~ of Armenia are maybe jumping the gun and have been relocating to South America (I was given the name of the South American country but will not relay it right now).

(6) I have been contacted (not by the family with the letter) by others that the family with the secret letter do not feel it’s time to unseal it yet.

(7) After my dream about the secret letter and angel (see next article) I am very cautious as to being aggressive about searching for information as to this letter and am letting information come to me in its own time. The investigation proceeds slowly in any information about the Secret Letter but my question is: What event or happening is the trigger or the sign to the family of the Letter that it should be opened? There is more to come on this subject stay tuned! 2. Larry W. Taylor

(6) New information coming in on the Inquiry into the Secret Armenian Letter of Prophecy. This letter is apparently still sealed and in a undisclosed location in Los Angeles, CA. According to a recent source of knowledge about the facts, the secret letter custodians have been in the past approached by someone who said the Lord sent them to open the letter. Information is that one fell dead and the other met with quick terrible demise. So the Secret Letter of Prophecy written by the Prophet of Armenia is still unopened! Demos Shakarian had reported in the out-of-print book: “ The Happiest People on Earth” by John and Elizabeth Sherrill, that death would greet anyone who tried to open the Secret Letter other than the one sent by God! (also see prior report of my dream of the Angel guarding the Secret Letter and I have tried to walk very carefully, spiritually in reporting about this letter and my inquiries into the facts of this letter—Larry Taylor.) Demos Shakarian also reported that he thought (felt) that the Secret Letter when opened would be not only be a directive from God for this

future time to now direct the Armenian descendants ~~ancestors~~ to safety, again; but also a word to the Christians in America to prepare them at an important time! Anyway, more information will be in this coming newsletter....

14. SECRET PROPHECY LETTER FROM ARMENIA - 1852
Update! by: Larry Taylor / For those who are following this story and search by me on the Secret Prophecy Letter written by the “Boy Prophet” named: Efim Gerasemovitch Klubniken in 1852 Armenia, then came with the Armenian peoples to this country still sealed, according to Demos Shakarian.” I have located another person (named withheld at this time) closely associated with Demos who told me the Secret Letter is in Los Angeles, CA and is still unopened. Reportedly only one sent by God can open this letter without finding death! Demos Shakarian believed the letter contained directions needed at a future time by the descendents ~~ancestors~~ of the Armenian people in America and a direct word for the Christians in America at that time too! Am still inquiring in this subject. 14. Larry Taylor...

(4) I seem to be finding a strange “thread” in the Secret Armenian Letter research. I also have a few people helping with the footwork around Los Angeles, California. This Secret Letter seems to have taken on a “life of it’s own!” In short, I am finding that there seems to be so much secrecy and clandestine facts in the search for truth about this Letter, that I am receiving the impression that the “SECRET” seems more important than the “FACTS and Message Contained Therein!” All my many attempts and contacts with FGBMFI Asso. or Richard Shakarian either go unanswered or replies with so few words and “zero” follow-ups that it’s a Black Hole!!! Anyway, I keep trying. Interestingly, reports of the Armenian people quietly moving from the USA to South America, saying they were told by God to move ahead of the coming persecution in America, have been coming in since 1998. Funny that God would be telling the Armenian people to move when He’s

got a perfectly good “Letter” of Instruction written to them for years. Well, sometimes you just have to do it yourself!...

Ok, that about tells the story of the SEARCH, now here is the FIND: Larry, was sent a letter by a David F. Wincoff who enclosed an actual letter that purports to be a DIRECT COPY of what God gave over a hundred years ago? The Church that has this letter refused to open it when confronted with “NOW IS THE TIME”. So here goes the REST OF THE STORY:

“To my knowledge the actual sealed letter has never been released openly. Here is the story of how I got a copy: The great-grandson of the Russian prophet who came over the mountains into Demos’ grandfather’s village in Armenia in the 1850s with the baptism of the Holy Spirit ended up in Canada. About 10 years ago he heard from the Lord to go to the Russian Revival Church in Los Angeles that held the sealed letter, to get it and declare it was time to heed the warning. The church was dead and refused to release the letter so he went into a fast for ten days and the Lord revealed the contents of the sealed letter. I have never shared the copy I was given as to my knowledge it has never been officially released...”

CONTENTS OF THE LETTER

“Run, run My people, whom I brought out from the places which have inherited the curse. Run into the wilderness with a heart thirsting for my water. Gather My Children, unto Zion, because the Kings of the earth are rejecting Me and the nations are turning against My people.

My blessing is departing from America saith the Lord of Hosts, because the Kings of this place are rejecting Me, and they are in fornication with Gog the chief prince of Meshech and Tubal, of the land of Magog.

Therefore, a terrible disaster is coming upon this place, so depart from here and I shall bring out the obedient remnant from among

you, which I shall hide in the wilderness. The wilderness shall blossom with a pleasant aroma. I will cleanse you and your children from your bad habits and sins and you shall know that you are branches grafted into my olive tree, if you shall obey my voice.

To Zion, to Zion we are going with thirst in our hearts! Enter into His gates with thanksgiving and into his courts with praise!

And suddenly I saw awesome darkness coming upon the United States and Canada: the darkness of Communism under the banner of evolution; economic confusion, riots, and nations rising up against each other in U.S. and Canada; and earthquakes in California and along the east coast, and a backsliding adulteress on the throne; masses of sick and poor people; and a certain number of rich ungodly people in authority.

Awake, awake My people. Don't reject My messengers. Awake, awake, for a hard time is coming.

And suddenly I heard a cry: "My people are perishing for lack of knowledge."

Afterwards I saw 3 angels and one among them spoke to this people, "Why are your children unwashed: Where are they? Will you blame it on God? God forbid! The child has to be sanctified while he is yet in the womb of his mother, through the holy prayer of the Holy Spirit. But you're rejecting this kind of prayer of the saintly men of God, you're reaping the fruits of the false Nicolaitan doctrine, which the Lord Jesus Christ Himself hates! And afterwards I heard a cry, "My people, My people, how many times I wanted to gather you, but you believed the lying ones, and grievous wolves entered in among you, not sparing the flock. The enemy scattered you and you are decreasing in numbers because you rejected My power.

You heap to yourselves teachers tickling your ears. And you are rejecting My prophets, seeking your own ways and signs, leaning on your own understanding. This is your last warning!"
