

PERFECT LOVE

“Be perfect, as your Father in heaven is perfect. Is this too big an asking, little one? What does it mean to be perfect in this way? Does it mean that you are to be like the Most High God ... absolutely without error? No, for that would be impossible to you.

To be in human flesh, since the great deception and disobedience, means that you will walk in error. The perfection of which I am speaking IS attainable for you. To 'be perfect', is to be set apart ... separate ... unlike the world in the way in which you love.

Absolute holiness in all things is reserved only for deity. Even Job, in his outstanding list of accomplishments, fell short, in so much that he was unable to see his own subtle arrogance. There is none like Adonai. And yet, by the indwelling presence of the Spirit of Adonai, a form of perfection ... holiness ... is possible for you.

What is the chief characteristic of Adonai? LOVE. As the Spirit lays hold of My possession in you ... your heart ... you can be changed to love in My holy way. Empowerment comes from Me to make correct choices and practice of loving.

Even as My love is unconditional, it is holy in nature. As your love is unconditional, it too takes upon itself that quality of Me.

Do I choose to love or is it My nature? Such a mystery of My reality, you cannot fully embrace. Suffice it to say, that I made love My all encompassing reality. Those who truly embrace Me, embrace My love. Those, who truly embrace My love, are transformed by it, into My nature and My practice of loving. Does that speak clarity to your understanding, or is it too great a concept?

The very thing that gives My true children their greatest distinction is not just that they know and declare who I Am. It is the nature of My being, living in and through them. It is their ability to love unconditionally. These do not love to be loved in return. They do not seek any gain from loving ... only the joy of giving away who they are in Me. In doing so, they give away portions of Me to others, so that the portion may grow within another.

Do you now see how the process works? To love those who love you, is a comfortable thing. It is easily given to carnal man to do this. It is so, because I created My human children at the very beginning to be lovers. They were designed to speak of Me within them. However, when the

holiness of the human creation was tainted by sin, so also did the love become tainted. No longer free-flowing, it could be withheld and manipulated. Designed to be eternally warm with the heat of My love beneath it, it soon turned cold, due to sin's priority over Mine.

Ah, but here is the turning point of My own true children. Those who have chosen Me, have made Me their priority, not sin. Here is the victory as well. For against such loving, there is no effective weapon. Every accusation raised up against it will be false ... even if, at the time, it is not proven so.

Who can stand against such perfect love raised up issuing forth from My imperfect children? As this loving without condition—regardless of cost—is born in My reborn children, they know My perfection in their lives. They walk not only in My image, but also in My heart.

Even as the world cannot understand My love, so also it cannot be anything but confounded by this perfection in My children. Nevertheless ... even misunderstood and often rejected ... this love of My perfection issues forth, declaring My glory ... bringing down strongholds ... and adding to the kingdom.

Therefore ... be PERFECT, as your Father in heaven is perfect. Together we shall celebrate this perfection, and we shall add to it a great abundance to fill up all of eternity.”
