

Who is Dr. Pete Sulack? — born January 1976

When Dr. Pete Sulack, a chiropractor in Knoxville, Tennessee, was 28 years old, God gave him a vision of 100 million souls and let him know that he would begin reaping that harvest when he was 30 years old.

When he was 30 years old [October 2006], he traveled to Kurnool, India. By the fourth night of the meeting, people were spilling into the streets and Miracle Net TV estimated the crowds at over 130,000 people.

So, who is this man whom God is raising up to win tens of millions to Jesus, and is still so young? Let's Dr. Pete tell it:

I grew up in a church home and made a commitment to follow Jesus when I was 5 years old. I always knew there were more blessings from God than what we were seeing in church.

I grew up oblivious to the gifts of the spirit. The first time I heard someone speak in tongues was April 1st, 2002, the day I opened my first chiropractic office. Someone called to congratulate me and prayed on my answering machine in tongues. I was fascinated!

Two years later, January 2004, God began to speak to me and said "Follow Me!" The next Sunday our family visited a church, and the sermon was on the gifts of the spirit, specifically praying in tongues. The 3rd Sunday of January we were invited to Park West Church by one of my patients. Each week for 6 weeks I went with a question for the Lord, and the first words out of Pastor McGinnis' mouth were an answer to the exact question I had. It was amazing to me how this could happen.

In February 2006, I called a chiropractor from South Bend, Indiana and while I was on the phone, I was baptized in the Holy Spirit. The next morning I woke up at 4:00am to begin praying in the spirit. I was so loud that I had to go outside into our car! At 4:30am my wife comes out to the car with the phone and the gentleman I had been praying with at 6:45 each morning was on the phone. He told me that God had woke him up at 4:00am and he felt he was supposed to call me. But, for the last 30 minutes he had been wrestling with God, because it was 4 in the morning, and he knew what my wife would do if he called. But, because of the intensity of the Lord speaking to him, he said he just had to call at 4:30 and our lives have been changed ever since.

That next week at my chiropractic office, I began praying for patients and to my amazement everyone started getting healed. Stage 4 cancers, diabetes, blood pressure problems—all miraculously healed. We then have a worship and healing service and 75 people show up and pack into our office and every single person gets healed!

In April 2004, I traveled to Arusha, Tanzania, with a group for a gospel crusade. The 3rd night, after the crusade 10 of us are in one of our rooms and someone says, "What do you think would happen if we all prayed in the spirit for 10 minutes and all laid hands on one person?" Without thinking, my hand shot into the air and I said, "Do it to me!" Within seconds I was in the spirit and was face to face with Jesus. For 3 hours I walked and talked with the Lord. Every few minutes I would return to my natural senses and have new revelation that I would speak to those in the room. This went on for 3 hours with no one in the room leaving because the presence of God was so strong.

While I was with the Lord, we came to a window and he showed me the nations of the world and said "I'm giving you the nations." We then came to a different window and he showed me a sea of people. There were so many that physical eyes couldn't see the end. We were then transported to the corners and huge lions were there (I believe they were the Lions of Judah). On the edges of the crowd were massive angels that were side by side around the entire perimeter. Above the sea of people, there was something like confetti twirling around, and I immediately knew that the heavens were open. I then saw a stage and Jesus was there. And just like two friends would converse with one another; I asked Jesus, "Why are you on the stage?"

He turned to me and said "It's not me, it's you. The people just think it's me because your flesh has been crucified."

He then brings me into the crowd, and I begin to walk up to people and ask them what they experienced. Everyone told me "I was lost, but now I'm found. I was blind and now I can see." Every single person without exception was saved, healed, and delivered.

Then, I saw the stage again and I was on the stage. I asked Jesus, "Why can I see myself now?" and before He answered, I was back in the crowd, this time there were only pockets of people being saved, healed and delivered. The Lord said to me "When you are not completely surrendered to me, some people will be confused, but there will still be many salvations and miracles, but not all of the people."

We were instantly transported above the sea of people into a different atmosphere. The atmosphere was very angelic and very evil at the same time. I asked the Lord, "What is this place?" and He told me it was the place where the angels and demons are given their assignments.

He said, “When you speak the Word of God, the angels are released to confirm the Word to bring glory to the Father. When you speak contrary to the Word of God, the demons are given access into your realm.” Instantly, Proverbs 18:21 came in my spirit. “Death and life are in the power of the tongue, and those who love it will eat its fruits.”

Jesus then took me above that atmosphere and into the throne room of God! There was so much glory that I was instantly flat on my face in the spirit. There were angelic voices singing “Holy, holy, holy, the earth is filled with your glory” and there were those around the throne singing “Holy, holy, holy is the Lord God Almighty, who was and is and is to come!” They continued to sing it over and over. While I was with the Lord, He spoke to me and said, “When you turn 30 years old, I will release you to the nations and give you 100 millions souls in person”. I was 28 years old at that time. He said, “Next year, when you turn 29, it will be a time of intimacy and preparation before I send you out.” (I really did not know what the Lord meant by this at the time.)

In 2005, I turned 29 in January and I felt called to fast every Monday, Wednesday, and Friday all year, and 3 different times I went on a 21-day fast. Looking back, I now believe that was the intimacy and preparation the Lord was speaking of.

During 2005, the Lord began to show me the significance of our inheritance and ancestral roots. That our inheritance was more than earthly possessions, but those things that were promised to our ancestors were passed down generation to generation.

I had always known my grandmother was born in Nagaland, India, and her parents (my great-grandparents) brought the Bible (translated it) to the local language of Nagaland in the early 1900’s for 30+ years. Nagaland was at the time considered the most vicious of all places in the world. It consisted of 17 tribes of head hunters and now, because of the gospel of Jesus Christ, Nagaland is 90% Christians, and the only Christian state of India.

In January 2006, I turned 30. In April the door was opened to do our first crusade in Rajamundry, Andhra Pradesh, India. We witnessed tens of thousands saved and thousands healed. In October we traveled to Kurnool, India. We had been told to expect 50,000 people by the fourth night. The first night we were almost at capacity with over 50,000 people in attendance. By the fourth night people were spilling into the streets and Miracle Net TV estimated the crowds at over 130,000 people. The conservative estimates are that over 20% of the city’s population of 600,000 was saved during the 4 days. Miracle Net TV came to televise one night and planned to make two 30-minute segments. But they said

they had never seen anything like that in India. They decided to do eight 30-minute segments and will televise it to over 700 million people throughout India, Asia and America. We are now set up for a 24-city tour over the next 5 years, and the rest of India to follow.

India has just surpassed China as the largest nation on earth at 1.3 billion with 1.2 billion who don’t know Jesus. 100 million people are about 8% of the population. My great-grandparents brought the Bible to the headhunters, and we have come back to India to reap in joy what they have sown in tears.

Over the last 40 years, Manna Ministries, who are backing us in the outreach for 100 million souls, is considered the best established ministry in India. They have previously hosted crusades for T.L. Osborne, Joyce Meyer, Reinhard Bonnke, Benny Hinn and Morris Cerullo in India. With all that being said, God is faithful, and when He shows us something, all we have to do it walk in it.

Now, when I was 15 years old, something happened that gave me directions for my life. I was playing in a national basketball tournament. During one game, I dove to save a ball that was flying out-of-bounds. Then it happened; something in my back “popped,” leaving me in excruciating pain. The pain in my lower back was so intense that I couldn’t stand up. For a week, I was unable to dress myself or do anything.

A family friend convinced me to give his doctor a try. The doctor did an exam, took some films, and then “adjusted” my spine. The adjustment didn’t hurt—it actually felt good! I got relief, and what is more amazing was the other changes in my health. For the first time in more than a year, I didn’t have heartburn after eating. A few weeks later during treatment, the stomach problems that I had since I was little went away. By-the-way, that doctor was a *chiropractor*. The dramatic improvements in my health made such an impact on me that I decided to become a chiropractor myself.

Now, patients who come to see me, come with their stomach problems, headaches, migraines, chronic pain, neck pain, shoulder and arm pain, whiplash, backaches, asthma, allergies, carpal tunnel syndrome, numbness, and athletic injuries—just to name a few. I have plenty of testimonies from my patients as to the benefits they have received. The name of our practice is EXODUS CHIROPRACTIC. We have 2 locations in Knoxville.
