

The Story of the Divine Class-Action Lawsuit

by S.J. Allred

One morning, in the summer of 2003, as I was pondering the numerous evil acts of the enemy, I said something like this: “You know, Lord, we ought to just sue the devil.”

No sooner than those words left my mouth than a powerful anointing began to pour out on me, and I knew what the Lord wanted me to do: To come before the heavenly court and file a class-action lawsuit on behalf of the Body of Christ against the devil. So after some library research, the Holy Spirit and I began writing the class action lawsuit. The entire petition is based upon the Bible, the word of the Living God. It is the very foundation, and it comes from the very heart of God.

It took several months to complete, but it was an urgent and serious matter to the Lord. After completion, I submitted it to my prayer partners for prayer and review, not only of the content of the document, but also of the list of those who were to sign the document at that time. This resulted in some editing, more prayer, and more revisions until the final draft was completed. Copies were made and sent to the potential signers, who reviewed it with prayer. Upon their agreement, both to its content and to the great responsibilities as a signer, the original was hand-carried to each to sign. Each was given a copy to uphold in prayer.

When I went before the heavenly court to present our case, I read the entire document before our King Who sat upon His throne. In attendance was Satan, the twenty-four elders, numerous angels and other beings that I cannot describe. I also had a sense that this event was being witnessed by a great company of believers in heaven. After presenting our case, I saw an angel seated in the center of a room at a high desk or table with a slanted top. This room was filled with books and he began to search through them. I knew that he was researching the details of all of the claims made in the lawsuit.

It was sometime in the next year of 2004 that the Lord revealed that our petition had been approved by the council in heaven. (There would be other signers of the petition at the leading of the Lord. The next few signers would come in 2005.) In this year, the Lord showed me a vision. I saw our petition grow wings and fly around the world over and over again. (By 2006, the Lord began to reveal others that He wanted to sign the petition.)

It was shortly thereafter that I realized that this document continues to evolve as the Lord reveals more territory that needs to be addressed and legally obtained. This class action lawsuit does not just seek to restore our earthly possessions and authority, and recompense wrongs suffered, but

also those possessions and authority in the heavenly realms (i.e., the first and the second heavens, 2nd Corinthians 12:2) over which God always intended man to rule (Hebrews 2:5-8; Psalm 8:4-6).

The summer of 2006 marked the third anniversary of the beginning of this class action lawsuit, yet I was just beginning to receive understanding from the Lord why this document was necessary. After all, the Bible is a totally legal, binding and official document of our inheritance. It includes the last will and testament of our Lord and Savior Jesus Christ, the Messiah. This is the way the explanation came to me: We are citizens of the kingdom of heaven on assignment here on earth. Our kingdom has a King (The Lord Jesus) Who is also The Judge. Isaiah 33:22 says, “For the Lord is our Judge, the Lord is our Lawgiver, the Lord is our King; He will save us.”

Editor's Note: When many of the modern nations of the world were first established, they used our American constitution as a pattern. But when the forefathers of our nation established the constitution, they didn't have any nation to look to. Rather, they looked to the Holy Bible. They found one verse that referred to an executive branch, a legislative branch, and a judicial branch. It was Isaiah 33:22 which speaks of a King [the executive], a Lawgiver [the legislative] and a Judge [the judicial branch]. The constitution of the United States was founded on this verse in the Holy Bible: Isaiah 33:22. JLM

The Bible says in Hebrews 10:30 “...The Lord will judge and determine and solve and settle the cause and the cases of His people.”

According to Isaiah 9:7, our kingdom has a government that is ruled by our King: “... the government shall be upon His shoulder,... Of the increase of His government and of peace there shall be no end...” Daniel 7:10 wrote about “a heavenly court,” and “...the Judge was seated [the court was in session]... and Daniel 7:26 says “...the judgment shall be set [will be unchangeable]...” The judgments of this court are legal and binding.

In general, a losing defendant in civil litigation... reimburses the plaintiff for losses caused by the defendant's behavior. It is the same way in the heavenly court. Our heavenly court has already brought criminal charges against Satan for his criminal conduct. He has already been tried, found guilty, and sentenced according to Revelation 20:10 ...the devil, who deceived them, was cast into the lake of fire and brimstone where the beast and the false prophet are. And they will be tormented day and night forever and ever.

All that remained to be done was the filing of the civil action against

Satan. This was accomplished in October of 2003. A verdict in our favor was rendered in 2004 and is now being enforced by God Himself through His people. We have been awarded our judgment and there IS NO HIGHER COURT of appeals for the enemy. This has resulted in the largest judgment ever issued by any government to any people in the history of the world! We need our portion of this judgment to fulfill His commission to make disciples of all nations. We need the ability to do whatever the Lord is directing us to do, whenever He directs us to do it, however He directs us to do it! We not only need to get the Lord's work done, but we need to be an example of the goodness of God by allowing His glory to be seen in and upon us and our households. Some of us will receive material wealth and provision for many others which we are to **faithfully distribute** as the Lord directs so that they can fulfill their destinies and His mandates. But this is not just about money. Many have been robbed of due honor and recognition. Others have been robbed of ideas and discoveries because of Satan's tactics. Can you imagine what you could do for God if there was no lack of anything?

Truly it is more blessed to give than to receive. But you've got to receive at some point so that you'll have something to give. It's time to use this class action judgment as the basis for your claims against the enemy. It's based on the Word of God. It's backed by all the forces of heaven. Our requests have been granted. It's time to MAKE THE DEVIL PAY!

There is also another reason why a class action was needed. We've been standing against the enemy individually, and sometimes in groups of varying size. But what was needed was for all of us to stand against the enemy as ONE, UNITED, in ONE SPIRIT, of ONE MIND, in ONE ACCORD, along with ALL the saints in heaven, to obtain a legal and binding judgment on behalf of us ALL against the kingdom of darkness for ALL of their atrocities since the beginning of time. As we come together in unity, the power increases exponentially. If five of us can chase a hundred, and a hundred can put ten thousand to flight, what can millions of us do (Leviticus. 26:8)?

Those of us who KNOW who we are in Christ and what belongs to us must stand in the gap for our brethren who do not yet know these things. Remember, at some point, WE did not know these things. As we receive on their behalf, we can send preachers and teachers to them, and we can give to them those portions that the Lord entrusts into our hands for them. Just think of it. What has the enemy stolen from your ancestors? That was part of your inheritance! What has the enemy stolen from you? This is the end of the end time and the harvest is ripe. It's time to receive EVERYTHING that Jesus paid for on the cross.

I am sharing this Vision from the Lord which I received June 04, 2002:

As I was praising and worshiping the Lord in my morning prayer time, I suddenly was part of a vision. I saw the devil's house. I saw Satan standing on the far side in front of the house. The Lord and I stood on the other side. The Lord had a clipboard in His hand with a thick stack of papers on it. A multitude of angels appeared and went into the house. They came out, one by one, each carrying a box or furniture. As Satan began to open his mouth to protest, a wide band of gray duct tape flew across his mouth and he could not speak.

As the angels came out one by one, the Lord would check off an item on the lists. Angels were even pushing things out through the windows. There was one angel standing outside of a window pulling an object out as another was pushing the same item out through the window from the inside.

I saw 2 items on one page of the checklists: one item was gold and the other, silver. As I saw the Lord check off these items, He said, "The gold is Mine and the silver is Mine." He was also saying something about 7 of this and 7 of that for each item that was taken. And I heard something about restoring what the cankerworm and the palmerworm had eaten.

There was a constant procession of angels going in empty handed and coming out carry something. Some rolled out wheel-barrels full of gold and jewels. Then I saw angels carrying people out!

When I saw this I began to shout praises to God at the top of my lungs, and I fell down to worship Him. As soon as I began praising Jesus, all the angels stopped what they were doing. They put down whatever they were carrying and began praising God with me. They also fell down before Jesus, and we all shouted and praised and praised and shouted!

As we were doing this, Jesus pointed His finger at Satan, and he was forced down on one knee by an unseen force. He had an anguished look on his face. As we continued to praise, he was forced down on the other knee.

By now I was so full of the presence of God that I fell backwards before the Lord. Then the praise quieted down and the angels went back to work. I was on my back, but I could still see what was going on. I saw the entire house split open from the side. The front half of the house moved forward and the back half of the house moved backward (like a giant doll house). Now, huge items began to emerge from the house. I saw planes, cars, boats and even an ocean liner came out. They seemed to be coming out of the ground and up out of the house, as if they came from an endless black hole. I came out of the spirit and was totally full of the presence of the Lord.
